Value

To set industry standards in service excellence by delivering fast, high-quality, and safe solutions, enabling sustainable growth for clients, employees, and stakeholders.

Our Mission & Vision

Movement Goal

Vision

To be recognized for consistently delivering high-standard, efficient, and safe services that empower our team and satisfy our clients.

Mission

To lead the industry in fast, reliable, and safe service delivery through innovation, accountability, and continuous improvement that creates value for clients and partners.

CEO's Message

With over 30 years of experience in the landscaping and agriculture industry, I am proud to lead Progressive Trading in delivering innovative, reliable, and sustainable solutions across Qatar.

In 1998, I founded Al Nakheel Agriculture with a vision to contribute to greening the region. Since 2012, leading Progressive Trading has allowed me to expand our product offerings, introduce innovative solutions, and provide exceptional service to clients across both public and private sectors.

At Progressive Trading, we are committed to understanding our customers' unique needs and delivering tailored, efficient solutions that ensure success, built on integrity, expertise, and excellence.

2025

Progressive Trading serves as an authorized dealer for Billy Goat.

Scope of Work

Progressive Trading is a professionally managed organization specializing in the supply of agricultural, turf, and utility equipment throughout the State of Qatar.

- Authorized and exclusive dealer of John Deere
- Supplier of approved international brands for turf, agriculture, and landscaping applications
- Serves public infrastructure, sports facilities, golf courses, and commercial developments
- Authorized distributor of Clarke Fire Protection systems
- Provider of irrigation and water management solutions

The company is committed to operational excellence, quality assurance, and after-sales support, delivering sustainable and reliable solutions in line with project requirements.

JOHN DEERE

John Deere is a globally recognized leader in agricultural, turf, construction, and forestry equipment. As an authorized dealer, we bring John Deere's world-class solutions closer to our customers, helping them enhance their operations with reliable and innovative machinery.

Backed by advanced technology and refined engineering, John Deere products are designed to deliver exceptional performance and durability across a wide range of applications.

With a focus on maximizing productivity, efficiency, and operator comfort, John Deere equipment provides sustainable solutions that meet the evolving needs of businesses in agriculture, landscaping, construction, and forestry.
