Mission & Vision

"We put our efforts in delivering high standards of service, quickly, without compromising on quality, nor putting at risk our team"

Seifeldine Ghali
Chairman

CHAIRMAN'S MESSAGE

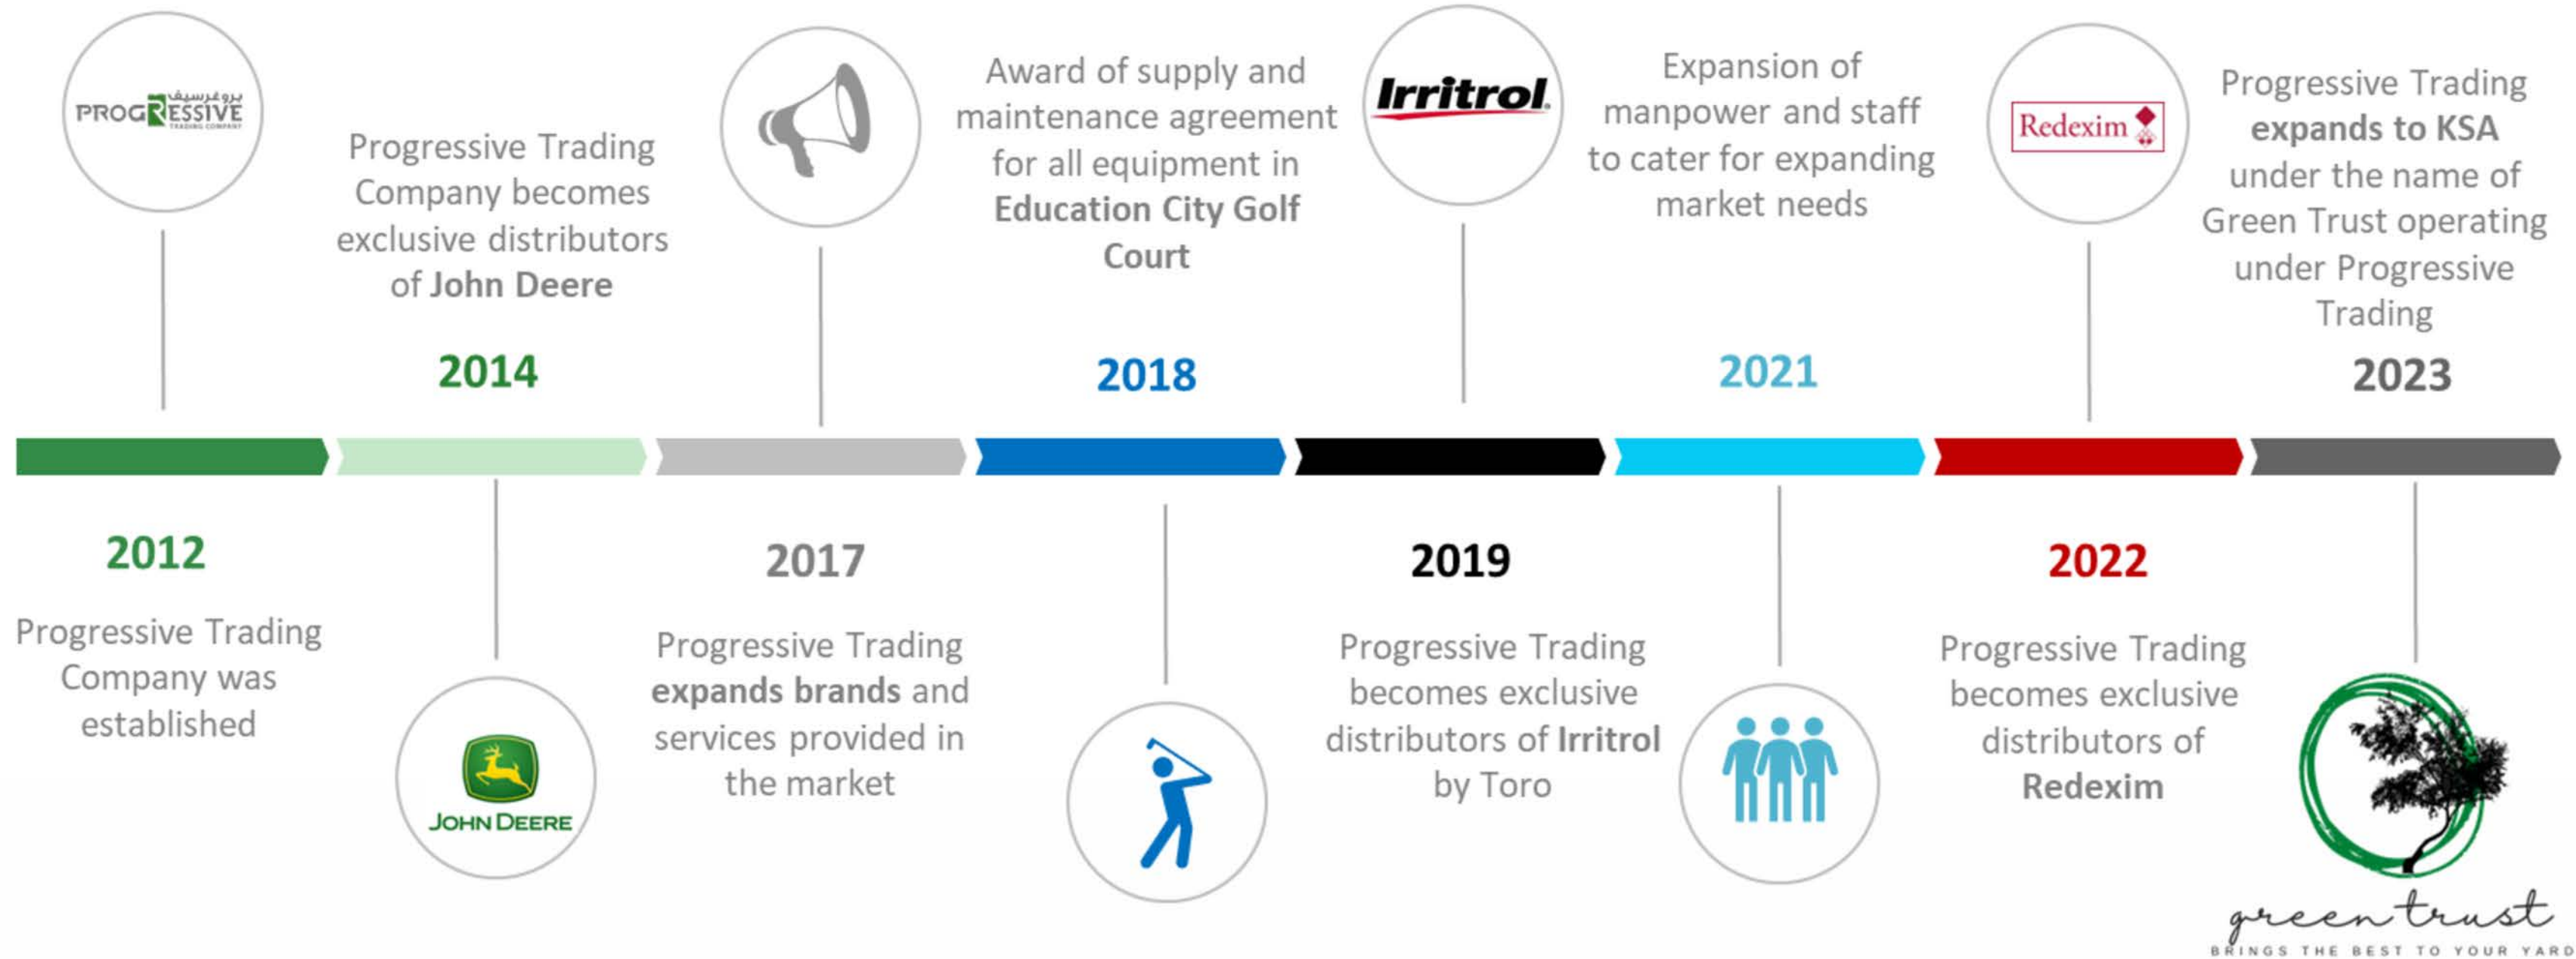

Seif Ghali is an Agricultural Engineer graduate from the American University of Beirut. With more than 30 years of experience in the Landscape & Agriculture industry in Qatar region, he managed to make a name for himself in the landscaping realm.

"Back in 1998, I was determined to establish a landscape company that would revive the goal of planting the region. Driven by this desire, Al Nakheel Agriculture was then established to accomplish this ambition."

He has been leading Progressive Trading since 2012 with dedicated efforts in business development, product diversification and introduction of new product lines to our customers.

COMPANY OVERVIEW

SCOPE OF WORK

Progressive Trading is a company based in **Qatar** and has been running successfully since **2012**.

Mostly recognized as the exclusive dealer of **John Deere** machinery in this territory, we offer the complete range of turf and agricultural equipment to customers from the private and public sectors.

Together with Kuhn & Redexim, the famous brands of farm and turf implements – we will have the entire range of products required to fulfill the requirements of any client.

Progressive Trading has also been named as the authorized dealer of Toro Irrigation dealer in Qatar and is authorized to sell and warrant Irritrol, Toro Ag irrigation products and Clarke Fire Protection products.

Agr. Products

Turf Products

John Deere is a global leader in the delivery of agricultural, turf, construction, and forestry equipment.

We help our customers push the boundaries of what's possible in ways that are more productive and sustainable to help life leap forward.

With the latest, most refined technology offered within their range of products, they aim at creating products that would maximize the efficiency and comfort of the user.
